Brush Bundles & Tree Disposal

According to Sec. 7-4 of the City code, brush must be cut in lengths not to exceed four (4) feet, shall be trimmed and stacked at curbside to a height of not more than three (3) feet, and must not weigh in excess of fifty (50) pounds. Please also note that when trimming foliage on your property and stacking brush on the curbside, the pile must be sized in bundles in order to meet the City's code for pickup on brush day. If brush does not meet this code regulation, a reminder notice will then be placed on the front door of the property. If you have any questions, please contact Woodway Public Safety Department Code Enforcement Officer Albert Lopez at 254.772.4470.

Winter Tips from Code Enforcement

As winter storms typically are at their worst at this time of year, Animal Control Officer Albert Lopez would like to also remind citizens to make sure that their pets have a warm place to stay out of the freezing cold weather. Remember, if it's too cold for you outside, it's probably too cold for your pet to be outside. If your pets must stay in the garage, be aware of dangerous chemicals that they could accidentally get into as well. Assume any spills are highly toxic and even a few licks or walking through the fluid can be deadly. Potentially dangerous items include antifreeze, windshield washing fluid, and ice melt products that can cause gastrointestinal tract irritation, depression, weakness, seizures, cardiac issues, and other life-threatening issues.
