## Labor Day Trash Schedule

City offices will be closed on Monday, September 4th in observance of Labor Day. Please be aware that all scheduled trash pickups that week will be delayed one day due to the holiday.

## Fall Large Item Pickup Dates

The Fall Large Item Pickup dates are scheduled for October 19th and 20th, whichever is your first trash day of the week. This pickup is for large items, such as: sofas, chairs, and furniture. For appliances, please call Woodway City Hall at 254.772.4480. Televisions and tires must be brought directly to the landfill to dispose, as these items will not be picked up at curbside. \*No hazardous materials will be collected on these dates.

## Short-Term Rentals

The City would like to remind residents that the operation of a short-term rental in a residential zoning district is not permitted per Woodway Code of Ordinances. Residential properties advertised on websites, or otherwise rented for periods of less than 30 days, are in violation of this ordinance and may be subject to administrative action, including daily fines assessed by the municipal court. The City is aware of properties currently being advertised and request voluntary compliance from those property owners. For questions or concerns about short-term rentals, please contact Kasia Redden in the Community Services & Development Department at 254.772.4050 or [kredden@woodwaytexas.gov](mailto:kredden@woodwaytexas.gov).

## Woodway Forward!

### HAVE YOU HEARD ABOUT WOODWAY FORWARD?

Woodway Forward is a comprehensive plan created by the City to guide future development and decisions for the community. This Comprehensive Plan is a collaborative effort by dedicated community members, local leaders, and experts to create a responsible future for the community and is a blueprint that outlines a series of strategic actions to promote growth, prosperity, and overall well-being within the community. It encompasses various aspects, including: land use; transportation; economic development and tourism; community branding and identity; housing and neighborhood; and parks and recreation.

### IT'S NOT TOO LATE TO GET INVOLVED IN WOODWAY FORWARD!

Every member of the community has a vital role in shaping our shared future! A second public input meeting was held on July 27, 2023 to hear thoughts on plan components and the future of Woodway. If you missed out on one of the two meetings, scan the QR code to visit our project website to engage in the same activities virtually. Checkout the recap document from the last meeting on the project website at [woodwaytexas.gov/woodway-forward](https://woodwaytexas.gov/woodway-forward).

## Woodway Family Center Construction Update

Construction of the Woodway Family Center has reached 80 percent completion. John W Erwin Construction has completed all of the heavy construction, and their crews are installing the finishing touches. The WFC staff is looking forward to moving in and preparing for the highly anticipated opening in December. Keep an eye out for the Grand Opening Ceremony date to be announced soon.

## 2023 Microseal Street Project

The City's 2023 Microseal Street Project is set to begin after the Labor Day weekend, weather permitting. The scheduled work should be completed within the same day, and start times will vary for each street. Microseal placement is generally between the hours of 8:30 a.m. and 4:30 p.m. to allow for busy traffic time before and after work.

To view a complete list of streets being Microsealed this year, including the tentative date they will be completed, please visit the City's City-Wide Project section at [woodwaytexas.gov](https://woodwaytexas.gov). If you have any questions or concerns, please call the Community Services Department at 254.772.4050.
