En las elecciones que se llevarán a cabo este año, se elegirán dos Concejales de la Ciudad para servir a los residentes de Woodway. Boards & Commissions Members Wanted

The City is now accepting applications for the Board of Adjustment, Parks & Recreation Commission, Planning & Zoning Commission, and Youth Commission. Find an application online at woodwaytexas.gov or pick one up at City Hall at 922 Estates Drive. The deadline to submit an application is April 15th at 5 p.m.

Large Item Pickup is now in April!

The City offers two complimentary Large Item Pickup services a year for citizens. These dates are scheduled in collaboration with Frontier Waste Solutions and will fall on whichever is your second trash day of the week. The first Large Item Pickup service for 2024 is scheduled for April 25th and 26th. When utilizing this pickup service, please limit the number of items placed curbside. Televisions & tires must be brought to the landfill to dispose of, and refrigerators must be tagged by a licensed professional to be picked up curbside. No hazardous waste is collected on these dates, but they can be disposed on the City's Household Hazardous Waste Day on March 23rd.

To schedule an additional Large Item Pickup service for your address, contact Customer Service at City Hall at 254.772.4480 or email customerservice@woodwaytexas.gov. The cost for the additional service is \$75.

Sewer Rate Changes

Each year, sewer rates are calculated on the average water consumption billed on each household's February and March water billings. The new sewer rate then goes into effect starting with the April bill. The City uses the consumption average from winter months since most households are not using excess water for landscaping and pools during that time. Instead, most consumption is only for daily activities, such as showering and washing clothes and dishes. This gives the most accurate idea of gray water used in each household. Water leaks do affect the sewer average, so if a leak is suspected, please let the Utility Billing Department know by emailing customerservice@woodwaytexas.gov or calling 254.772.4480. For more information, visit woodwaytexas.gov/utility-billing-department.

Father & Daughter DISCO is another sell-out success!

The Discover Woodway and Pavilion team are excited to share highlights from our annual Father and Daughter Dance, where “Boogie Wonderland” came to life! This year, over 250 guests joined us for an evening filled with dancing and laughter. Rio Brazos served up a delicious taco bar, while Sweetness Desserts provided the most irresistible cupcakes for dessert. Wall of Sound Productions provided groovy music all night with a photo booth to commemorate the evening, and Pendley Party Productions provided a spectacular disco ball to light up the dance floor. Thank you to all who attended, making this event a memorable celebration of the special bond between fathers and daughters. We can’t wait until next year!
